

What's LIFE All About?

It is LIFE's goal to assist parents in the education of their children. We provide classes one or two days a week with lectures, discussions, presentations, and labs. The other days of the week students work at home with parental help and management of their course work. Most classes are geared toward the junior and senior high school levels, but we offer classes for the elementary grades as well. Tests are administered and grades are given by the teachers for all core classes. The school year begins August 31st and ends May 16th.

L.I.F.E. POLICIES

PAYMENTS AND REGISTRATION: Every family must register with LIFE and pay the annual \$50 class registration fee. This fee pays for the building use, administration, and hall monitoring fees for the classes. Membership to the support group is included.

In addition to the LIFE registration fee, teachers set their own tuition rates and collect payments. Teachers may collect half the tuition 1st semester and the other half 2nd semester with deposits and/or materials fees. Please read the class information carefully before you register. Also, please be on time with your payments or contact the teacher if there is a problem. Teachers will have their own refund policy as well.

CLASS SESSIONS: All classes are year-long, 2-semester classes unless otherwise noted in the class descriptions.

REGULAR CLASS DAYS: All students must be in the classroom, accompanied by a parent or other adult, or in study hall. No student will be permitted to stay, unsupervised, inside or outside the church building for more than 15 minutes between classes. Includes ALL ages.

Please keep this in mind when you are choosing classes. Choose classes that fit your schedule, or register for study hall if you want to leave your children at the church for longer than 15 minutes before or after class. The study hall fee is \$3/student/hour.

PARKING LOT/DROP OFF:

- Do not drop off, pick up, or park in front of the church.
- Drive slowly and watch for children who may dart in between cars.
- Drive to the side or back of the church, pull into a spot, and then drop off or wait for your child. You can always go into the church with your child and wait inside if you wish.
- Please pass this information on to your teenage drivers or anyone else who will be driving your children. (There are often older siblings and grandparents dropping off or picking up who haven't been told about the parking lot policies.)

INCLEMENT WEATHER: We will announce class cancellations via email by 7:30 a.m. on the morning of classes.

DRESS CODE: Modesty is the overall principle. Since it is distracting and difficult (especially for young men) to learn in an environment with immodest dress, we hope parents will exercise good judgment in the area of modest dress. Here are some specifics that we require:

Girls: no tight-fitting or low-cut tops, no short shorts

Boys: no baggy trousers that reveal the underwear beneath

Both: No shirts or hats with offensive language

Parents will be informed of any problems.
